RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

The Honourable Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

Transmitted hereinunder are sections of the earlier amendment on separate pages to overcome the objection raised in the Notice of Non-Compliant Amendment and replacement sections for the title and the specification sections from page 8 onwards respectively subtitled "Brief Description of the Drawings" and "Detailed Description of Preferred Embodiments" provided in clean form, as understood from the [http://www.uspto.gov/web/offices/pac/mpep/documents/0700\\_714.htm#sect714](http://www.uspto.gov/web/offices/pac/mpep/documents/0700_714.htm#sect714) web-site.

The changes are as submitted with the bonafide response and a marked-up version is also submitted with the bonafide response.

A clean form of the claims is also supplied although I am uncertain if it is required too.

As this response is mailed within the one-month term set down in the office action, I believe no fee is due.
